

2021 Clean Water Implementation Small Grant - Clean Water Fund

Eligibility Questions

You're applying for a Clean Water Implementation Small Grant through the Lancaster County Community Foundation's Clean Water Fund.

These grants of \$5,000 to \$25,000 support implementation of collaborative, watershed-scale restoration projects that encourages diverse audiences to improve Lancaster's water quality at a rapid pace.

When applicable, please visit the Lancaster Clean Water Partners' Collaborative Watershed Mapping Tool to assist in answering any of the application questions.

We encourage you to be brief and specific in all your answers. Bulleted lists are completely acceptable. Examples of previous applications are provided in this Google Folder to assist in crafting your application. The examples are only to provide guidance, not to be copied verbatim.

All questions regarding the fund and application process can be directed to Emily Smedley, Communications and Program Manager at the Lancaster Clean Water Partners (esmedley@lancastercleanwaterpartners.com).

Is your organization categorized as 501(c)(3) by the IRS or a municipality?*

Yes

No

Application Questions

Need*

Describe why your project is needed and who it will impact.

Character Limit: 4000

Equity & Inclusion*

The Lancaster Clean Water Partners believes equal access to justice and clean water are human rights. Our vision of clean and clear waterways means healthy local streams for all Lancastrians, but particularly those that have historically had unequal access to it. Our collaborative work is intended to amplify the diverse voices in our community demanding environmental and social equality.

What are your organizational aspirations and current challenges regarding racial equity and inclusion, and/or social justice? Does this work relate to your project? If so, describe.

Character Limit: 2000

Timeline & Implementation Plan*

Provide a timeline for your project, including major milestones towards the project's completion. Include details about permitting (when applicable) and ongoing maintenance and monitoring (after project completion).

Character Limit: 5000

Project Barriers*

Are there any barriers to this project's completion (i.e. Lack of other funding sources, organizational changes, maintenance after project completion)?

Character Limit: 2000

Matching Funds*

Match is not required but encouraged.

If applicable, describe the source and type of your matching funds or in-kind hours for this project. If match is included, match commitments are required by July 26.

Character Limit: 2000

Partners*

List any partners you are collaborating with to implement this project directly. Describe how this partnership enhances the project or will contribute to its success.

Character Limit: 5000

Budget Description*

How exactly will these funds be used in the project? Describe how you would use this grant money. Include any significant expenditures and how they impact your project. Be as specific as possible.

Character Limit: 5000

Best Management Practices*

Using the list below, list the specific best management practices (BMPs) you will implement using these funds. Please include the official practice name and measurement, referring to the Quick Reference Guide for Best Management Practices when needed.

Acres of riparian buffers, describe the approx width of buffer and plants to be planted (i.e. trees, grasses, mix)

Linear feet of stream restoration

Linear feet of streambank fencing

Linear feet of floodplain restoration

Acres of wetland restoration

Acres of easements secured

Acres of manure management

Acres of Conservation/Ag E&S plan

Other Ag BMPs (include unit)

Other stormwater BMP (include unit)

Number of professionals trained

Volunteer hours anticipated

Character Limit: 5000

Organizational & Community Results*

What do you hope to gain or learn from this project? How will the community or organization be transformed? How will you know if you achieved your goals?

Describe the qualitative and quantitative goals of this project.

Character Limit: 2000

Required Attachments

If you do not have access to a scanner, you can use the "Fax to File" tool on the left menu. This tool will convert a fax to a PDF document.

Board of Directors Roster*

Upload a current fiscal year board roster that contains at minimum the name and occupation of each member.

File Size Limit: 1 MB

Match Commitment Letter

Match is not required but encouraged.

If applicable, upload a letter from the organization's Executive Director, CEO, President, or Board President that details the source of matching funding for this project. Matching fund commitments must be secured by July 26, 2021.

File Size Limit: 1 MB

Landowner Commitment Letter*

Upload a letter of commitment from the landowner indicating their support of your project.

File Size Limit: 2 MB

"Before" Picture #1*

Upload a picture showing the land/area of your project before your work has begun. If the file size of your photos is too large to upload here, please email them directly to Emily Smedley (esmedley@lancastercleanwaterpartners.com).

File Size Limit: 2 MB

"Before" Picture #2*

Upload a picture showing the land/area of your project before your work has begun. If the file size of your photos is too large to upload here, please email them directly to Emily Smedley (esmedley@lancastercleanwaterpartners.com).

File Size Limit: 2 MB

"Before" Picture #3*

Upload a picture showing the land/area of your project before your work has begun. If the file size of your photos is too large to upload here, please email them directly to Emily Smedley (esmedley@lancastercleanwaterpartners.com).

File Size Limit: 2 MB

Project Map

If available, please upload a map showing the location of your project.

File Size Limit: 2 MB

Electronic Signature

Note to applicants seeking staff feedback:

Staff will review and provide feedback on draft applications submitted through this system by June 23, 2021. Application drafts that are saved but not submitted will NOT be considered for feedback.

On or before July 14, 2021, we'll return your application to "draft" status. You can make any revisions and then re-submit by the final deadline, July 26, 2021.

Are you interested in receiving feedback from staff prior to volunteer review?*

This option is only available for applications submitted by June 23, 2021.

Choices

Yes, I would like staff feedback.

No, this is my final submission.

Clean Water Partners have provided feedback.
